

HERE'S TO MAKING WEEKDAYS FEEL LIKE WEEKENDS. We call it Rise.

titalinina Queleto

Quanto

A

DESIGN

Makes weekdays feel like weekends! Here's a compact SUV that feels just the same. It can do everything that a hatchback only dreams of, and more! It will leave you in no doubt about its machismo or its SUV lineage, you will see it in the front fascia, feel it in the distinct alloy wheels and notice it in the rear-mounted spare wheel. The Quanto's higher ground clearance ensures there's a respectable distance between the terrain and its underbody. And sporty roof rails lend it to a definite weekend character.

INTERIOR

E

Spacious enough to swallow a hatchback in more ways than one, it has oodles of space and comfort. The seating arrangement offers ample space for 5 adults and the 60:40 split flexibility of the second row as and when you want, gives you even more space. A 2-DIN audio system allows you to belt out your favourite tunes and granite and black themed interiors add a touch of elegance to it all.

CONVENIENCE

Equipped with all the space and convenience you require for turning weekdays into weekends. Convenient utility spaces, cup and bottle holders, foldable snack trays, magazine pockets, floor console, driver under seat storage, armrest for driver and co-driver, drivers seat height adjustment, adjustable headrests, HVAC (Heating, Ventilation and Air Conditioner), integrated audio system (CD, MP3, Radio), power windows, power and tiltable steering, central locking, rear window demister, mobile charging points and rear window wash and wipe.

SAFETY AND PEACE OF MIND

Safety first, fun a close second. Say goodbye to anxieties when having fun. With a high seating position for a commanding view, airbags for driver and co-driver and an Anti-lock Braking System (ABS) giving you greater control on slippery surfaces, as well as an engine immobiliser making sure the engine responds only with your permission. For total peace of mind, the Mahindra Quanto comes standard with a 3 Year 100,000 km Warranty and a 3 Year 60,000 km Service Plan.

EFFICIENCY

The engine is not a guzzler by any means, managing a healthy fuel consumption of 7.6 litres per 100 km and with CO_2 emissions as low as 179g/km on the open road. You can see how economical the car is with the Digital Drive Assist System (DDAS) which also gives you the latest on speed and temperature whilst enjoying urban conditions or the open road.

PERFORMANCE

The Quanto whips out a respectable 88 KW of power @ 4,000 rpm and a whopping 290 Nm of torque @ 1600 - 2,800 rpm, courtesy of its mHawk Euro II turbo diesel engine. Coupled to a 5-speed manual gearbox, double wishbone and multi-link suspension with anti-roll bars, the Quanto will leave most hatchbacks at work for weekends!
