

Safety, comfort and quality.
You and your customers can depend on.

— THE NEW —
ETIOS

DEPENDABLE SAFETY

The Toyota Etios is equipped with a host of safety features so your customers can depend on you for safe and sound trips. And best of all, these world-class safety features are available as a standard across all variants.

STANDARDIZED DUAL FRONT SRS AIRBAGS**
Highly effective airbags that significantly reduce the impact of a collision for both driver and front passenger. A standard feature across all variants.

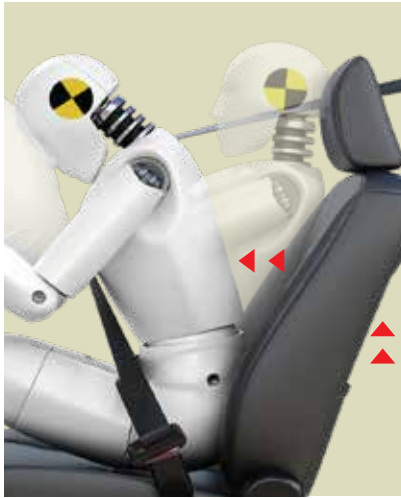

NEW ISOFIX CHILD SEAT LOCK*
Meets international safety standards with a secure, easy-to-fix design for child safety. Available in all variants.

NEW REAR REMOVABLE HEADREST (ALL 3 SEATS)
Designed to enhance comfort and reduce injuries in case of a collision. A standard feature across all variants.

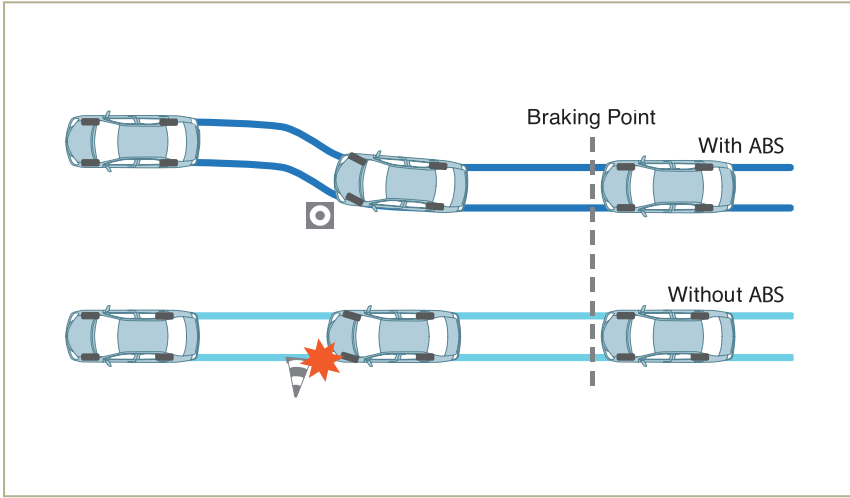

IMPACT ABSORBING BODY
Distributes impact in case of collision for maximum protection.

PRE-TENSIONER FORCE LIMITER FRONT SEAT BELTS
Minimizes impact to the chest in case of a collision. Standardized across all variants.

STANDARDIZED 3-POINT REAR SEAT BELTS
With Emergency Locking Retractors (ELR) that instantly lock occupants safely during abrupt rapid braking.

STANDARDIZED ABS WITH EBD
ABS suppresses wheel-locking while braking, allowing better manoeuvrability. EBD optimally distributes braking force for better control based on the load conditions.

* Child seat not included. ** For more details on the functioning of airbags please refer to the owner's manual.

DEPENDABLE COMFORT

The Toyota Etios is thoughtfully designed with ample space, as well as intelligent features to ensure complete comfort for you and your customers, no matter the length of the journey.

BEST-IN-CLASS CABIN SPACE
Best-in-class head, shoulder and knee room ensure the most comfortable journey for all occupants, even for long durations.

POWER WINDOWS ON DRIVER'S SIDE
Enables effortless operation of all windows with a single touch.

12V ACCESSORY SOCKET
Makes on-the-go charging of mobile phones and laptops easier for driver and customers.

BEST-IN-CLASS 595l* BOOT SPACE
Accommodates more luggage of all shapes and sizes. Makes loading and unloading easier with lower loading height.

13l* COOLED GLOVE BOX
An abundant 13l* space to store cool water for your customers.

FOLDABLE REAR-SEAT
Creates an open area from the trunk to the passenger compartment for increased cargo-versatility.

BEST-IN-CLASS AC WITH MULTIDIRECTIONAL VENTS
Ensures the fastest, most effective cooling with 360° unique rotating function.

ERGONOMICALLY-DESIGNED REAR SEAT
Contour-design and removable headrests assures complete comfort for passengers.
