

VFe34

Boundless together

VF e34

THE FIRST SMART EV IN VIETNAM

VinFast has launched VF e34, a modern and sleek C-SUV with smart technologies integrated, promises an enhanced experience for pioneering customer.

ENVIRONMENTAL FRIENDLINESS

No emission of
Nox, HC, CO, CO2.

No noise pollution.

Low maintenance cost,
equivalent to 25-30%
of a gasoline car.

Monthly battery charging and
subscription fees are just
equivalent to the fuel cost of a
gasoline car.

Easy charging at home and fast
charging available at VinFast
charging stations nationwide.

Traveling distance of
about 285 km in a
single full charge (NEDC)
stations nationwide.

Fast charging for a
travel distance of about 180
km after only approximately
18 minutes of charging.

COST EFFICIENCY

CONVENIENCE

SMART ENGAGEMENT, ENJOYABLE EXPERIENCE

Vietnamese-friendly virtual assistant enables natural engagement to inquiry, search information and control car function.

From online shopping, notification customization, service and charge station booking to battery rental management... Everything is available at your fingertip.

eCall, remote monitoring and intrusion warning, auto diagnose and suggest maintenance schedules through VinFast application... our smart safety features ensure to set your mind at rest.

Smart Firmware-Over-The-Air.
