

TVS **RONIN**

THE ULTIMATE MODERN-RETRO

PRESENTS

THE ALL-NEW 2025 EDITION

OWN YOUR
#UnScripted
RIDE NOW.

RETRO BY DESIGN

Get used to making head-turning entries with a distinct retro build, and the iconic all-LED T-Face headlamp.

MODERN BY INSTINCT

Tech-forward features meet ride-ready engineering to take your story beyond the script.

NOW-AGE TECH

Stay connected to your world with the asymmetric digital speedometer with Bluetooth connectivity.

Get ride analyses, trip updates, plan tours, connect with your crew, or locate your nearest fueling station, all with just a few taps or a voice command.

TVS **SMARTCONNECT**

Everything you need to know about your motorcycle and your rides, in one place.

TAKE CURIOSITY CRUISING

Be unbound by terrains or trails with first-in-segment 9-spoke alloy wheels wrapped in wide block-tread tyres.

Easy on the eyes and tough on the terrain, the upside-down front suspension ensures smooth riding even at high speeds.

SWITCH SPONTANEOUSLY

Through packed city lanes or slick mountain roads, the Dual-Channel ABS with Rain & Urban ride modes* keeps your ride smooth, always.

RARING FOR A GO

The TVS RONIN's four-valve, 225.9 cc engine has plenty of grunt to take your rides beyond the script.

MEET YOUR KIND-OF-CREW

Join a community like no other, where every experience is bound to go beyond the script.
