LESS IS MORE

Where agility, performance and value rules

When it comes to choosing an economical commuter, the 150NK simply can't be beaten.

Say hello to ultra-light and flickable manoeuvrability, upright and commanding rider ergonomics and punchy inner-city performance – all wrapped in a package that's sharply styled and sharply priced.

Now with dual-channel ABS brakes!

Three-year warranty

ECONOMICAL COMMUTING

The 150NK is capable of highway speeds with a fuel-efficient 149cc four-stroke engine and six-speed transmission. To further enhance the commute, the 150NK comes with a selectable map switch mounted to the handlebar. The switch allows the rider to select either 'sports' or 'economic' mode on-the-fly to optimise the 150NK to the riding conditions.

SURE TO IMPRESS

A low seat height positions the rider in a comfortable, upright stance with clear view over the brightly lit LCD instrumentation display.

SAFETY FIRST

Plush upside-down telescopic forks and a rear mid-mounted shock provide new riders a compliant ride, while front and rear disc brakes deliver ample stopping power. Plus the added safety of dual-channel ABS brakes. Modern and dynamic styling features have been incorporated into the advanced LED headlight and taillight configuration.

3 YEAR WARRANTY

CFMOTO Motorcycles are supported by our 3 Year Factory Warranty Program. The program provides warranty for a period of two years from the date of purchase. However, if you have your CFMOTO Motorcycle serviced exclusively at an authorised dealer and retain an accurate service history, you may be eligible for a further one year extension. For further details, contact your CFMOTO Motorcycle Dealer.
