

Mahindra Scorpio Brochure

THE ALL NEW SCORPIO EX.

GREAT PACKAGE.

PROVOCATIVE BONNET SCOOP

The streamlined bonnet scoop doesn't just provoke other cars. It's aesthetically designed for optimum aerodynamics too. So even the wind works in your favour while you speed away.

MULTI-FOCAL HEADLIGHTS

Multi-focal reflectors multiply the power of these headlamps. Their 'Sunrays' reflector design shines into the night, giving the Scorpio a blinding stare.

SIGNATURE FRONT GRILLE

The imposing front grille boasts of the Mahindra lineage, and is sure to inspire awe in some, and fear in many.

INTEGRATED FOOTSTEP

The rear footstep is seamlessly integrated into the rear bumper, giving those tailing the Scorpio, something to stare at.

ROAD ARMOUR BUMPERS

The Scorpio's bumpers remind you of the armour on a gladiator. They're toughened, to defend the body. And tailored to demean other cars.

CHUNKY DOOR HANDLES

The door handles are chunky and easy to grip. They add extra muscle to the Scorpio and make sure you need less muscle to open the doors.

GREAT VALUE.

REFINED M2DiCR ENGINE

A product of efficient engineering, the new 75bhp m2DiCR is a Direct Injection engine with Common Rail technology. Its refined power delivery will delight you. So will the seriously low noise levels. What's more, the engine is compliant with the stringent Bharat Stage IV norms, ensuring lower emissions and a reduced carbon footprint.

IMPRESSIVE MILEAGE

The 2.5L, turbo-charged 75bhp engine delivers an impressive 14kmpl[#] mileage. Making it a perfect blend of power and efficiency.

EFFORTLESS ACCELERATION

To exhilarate yourself, just push the pedal. The Scorpio Ex will surprise you by going from 0 to 60kmph in just 11.2 seconds.

MICRO HYBRID TECHNOLOGY

The new Scorpio is deceptively gentle. On the environment, that is. It comes equipped with Micro Hybrid technology that allows it to intelligently switch the engine into standby when not required. So while it conserves nature, it conserves fuel too.

MIGHTY SAFE

While the Scorpio has a dominating road presence, it's reassuringly safe too. Its crash protection crumple zones protect you in the unfortunate event of a collision while the digital immobilizer protects your vehicle from theft.

SPECIFICATIONS

Engine	m2DiCR 4 cyl 2.5L
Type	4 stroke, Turbo-charged, Direct Injection, Common Rail Diesel Engine
Cubic Capacity	2523 cc
