Ford

COOL, CAPABLE, CONNECTED AND CONFIDENT.

The Ford Freestyle is India's first Compact Utility Vehicle (CUV) that is designed to complement your freestyle spirit. Whether it's cruising on smooth roads or exploring rugged terrains, Freestyle gives you the josh to navigate life on your own terms and live without regrets. All it takes is the will, because this car can surely find the way.

Josh hai dil mein.

CAPABLE

Equipped with a powerful engine and ARP (Active Rollover Prevention), the Ford Freestyle can take on both rough terrain and steep inclines. So push the pedal, chase that chance and take off to a place where your heart belongs.

1.2L Ti-VCT Petrol Engine

96PS (70.79kW) Power
18.5km/l **Fuel Economy

1.5L TDCi Diesel Engine

100PS (73.80kW) Power
23.8km/l **Fuel Economy

ALL-NEW 1.2L Ti-VCT ENGINE

The Freestyle is powered by an all-new engine that packs a roaring punch without compromising on fuel efficiency.

ARP (ACTIVE ROLLOVER PREVENTION)

Stay safe without compromising on the fun. With ESP (Electronic Stability Program), ARP automatically detects and avoids potential rollover situations by applying brakes to individual wheels and decreasing engine torque.

GROUND CLEARANCE & SPORTY SUSPENSION

The SUV-rivalling ground clearance & sporty suspension lets you handle both potholes & corners with equal ease.

COOL

The Ford Freestyle oozes appeal from every curve and corner. Its bold and sporty exterior complements its premium interiors. Take it for a spin and infuse every road with its energetic freestyle spirit.

BOLD FRONT GRILLE

The black honeycomb grille gives the Freestyle an aura of rugged masculinity.

METALLIC ROOF RAILS

Striking in appearance, the roof rails possess the right mix of style and muscle.

R15 (185/60 R15) ALLOY WHEELS

The Freestyle carries itself like a champion with R15 wheels that don't just turn, but glide.

PREMIUM INTERIOR

Eye-popping colour coordinated seats, stunning door accents and a premium black dashboard will add charm to any journey.

CONNECTED

The Ford Freestyle is the perfect companion, always attuned and adapting to the road ahead. Its smart technology and intuitive abilities are not just limited to what's outside the car but also what's on your mind, letting you navigate through life at your own free will.

TOUCHSCREEN WITH NAVIGATION

The Ford Freestyle comes with 17.78 cm (7.0) infotainment touchscreen that has in-built navigation. So, go ahead and find smart routes while listening to your favourite tunes.

PUSH BUTTON START

No ignition key, all it takes is a finger on a button and a foot on the clutch to bring the Freestyle to life.

RAIN-SENSING WIPERS

When the skies start pouring, these wipers get going, maintaining a clear windshield, come rain or storm.

AUTOMATIC HEADLAMPS

Turning on automatically when the sun sets, the powerful headlamps can make navigating dark roads safe.

AUTOMATIC CLIMATE CONTROL

This class leading system monitors the temperature inside out to give you the perfect climate without any manual intervention. It also saves your fuel in the process.

CONFIDENT

The Ford Freestyle lets you drive through rough terrain boldly without compromising on safety. Its safety features are always ready for your free spirit, making sure you lead a life free of regret.

6 AIRBAGS

In addition to front airbags for the driver and front seat passenger, the Ford Freestyle offers best-in-class side and curtain airbags, offering backseat passengers extra protection.

REAR-VIEW CAMERA

The Rear View Camera turns on automatically as you reverse, so you can wriggle through tight spaces with ease.

ABS & EBD

Anti-lock Braking System (ABS) and Electronic Brake Force Distribution (EBD) give you a better grip on the road, so you can comfortably make those sudden stops and quick turns with greater control.

ARP (ACTIVE ROLLOVER PREVENTION)

With ARP, HLA*, ESP*, EPAS* and Traction Control, you can be sure of a safe drive as you manoeuvre through sharp corners and hairpin bends.
