

MG CYBERSTER

THE APEX OF INNOVATION AND PERFORMANCE

Unveiling a groundbreaking fusion of elegance and power,

The MG CYBERSTER emerges as a beacon of luxury sports E-ROADSTER car innovation.

Captures Avant-garde design with a SOFT-TOP convertible, SCISSOR DOORS, and 'EYE OF THE STORM' headlights. Its 544 PS engine and 725 Nm torque ensures rapid acceleration (0-100 KM / H in 3.2 seconds) and agile handling.

Inside, Y-SHAPED sports seats and a TRIPLE-SCREEN interface deliver an immersive driving experience, while BOSE acoustics and seamless drive mode transitions

MG CYBERSTER redefines luxury performance.

A CENTURY AT FULL THROTTLE

1947 1950 1931 1929 1959 1924 2001 MG TC Midget 100 **MG EX120** MGA M-Type **MG EX181** Tracing a century-long lineage of breaking barriers, MG 14/28 MG XPower SV-R

the MG CYBERSTER propels MG's illustrious history of speed and innovation into the electric age. It celebrates the brand's legendary feats — from the MG EX181's record-breaking velocity to the MG B's revolution in sports sedan performance. With over 500,000 enthusiasts captivated, MG rewrites history once again, forging a future where electric agility and storied performance converge. This is more than a car; it's a milestone, marking a new chapter in the legacy of sports cars — MG CYBERSTER is a triumph of heritage charging boldly forward.

If the ROADSTER is considered the pinnacle of automotive design, then the dawn of the electric era

CONTROL MEETS COMFORT DOUBLE WISHBONE & MULTI-LINK SUSPENSION

SPORTS CAR PERFORMANCE

High-rigidity anti-roll bars and precision-engineered bushings, paired with resilient damping settings, ensure sharp responsiveness. This expert calibration enhances rear agility, pushing performance limits and cornering dynamics for a seamless synergy between driver and machine that embodies true sports car spirit.

A SYMPHONY OF SENSUAL SENSATIONS

Experience the meticulously engineered BOSE sound system, Custom-tuned for the perfect acoustic experience. Whether you're on the move or at rest, every note and melody is crafted to beautiful perfection.

Official Automotive Partner of Arsenal Football Club

SPECIFICATIONS

Model	CYBERSTER PERFORMANCE
Length (mm.)	4,535
Width (mm.)	1,913
Height (mm.)	1,329
Wheelbase (mm.)	2,690
Wheel and Tire Size	20" Alloy Wheel
Tire Size FR / RR	245 / 40 R20 / 275 / 35 R20
Performance	
Electric Motor Type	Permanent Magnet Synchronous Motor
Battery Type	Lithium-ion Battery
Maximum Power (PS (Kilowatt))	544 (400)
Maximum Torque (Newton – Metres)	725
Battery Capacity (Kilowatt – Hour)	77
Maximum Range (NEDC Mode / Kilometres)	503
Steering and Suspension	
Steering	EPS
